Indian Restaurant  
Fully Licensed & Fully Air Conditioned

# WELCOME...

As Khyber enters into its 3rd decade in business and it continues to evolve in cuisine and atmosphere, we have upheld our ultimate aim to offer our guests the unique experience of dining in fine Indian style.

Our dishes are served in contemporary and stylish surroundings with a touch of royal Indian elegance – where you may effortlessly entertain your friends, visitors and colleagues.

Our creative and carefully devised menu presents you with not only interesting and unusual specialities from the current vogue of Anglo-Indian food, but also the variety of traditional Indian favourites such as Rogan Josh, Madras and Korma curries.

My chefs have meticulously developed a unique blend of fresh herbs and aromatic spices to enhance the flavour of authentic dishes in order to exquisitely tantalise your taste buds with the Indian flavour! It also allows us to modify the strength of spices we use for our guests – ideal for those of you with a more sensitive palate! Our attention to detail in using all fresh ingredients allow us to provide you with genuine taste of the Subcontinent, which we hope you will find is a refreshing change from other restaurants. We have excellent choices for vegetarians and meat lovers alike, as well as special meals designed for children and their preferences, so make sure to bring the family along too!

And don't forget, we still offer our straightforward and efficient takeaway service, for you to bring the Indian experience into the comfort of your own home.

Our chefs and staff are trained to make the Khyber experience a memorable one.

We hope the team's dedication to exceed your expectations makes you come back for more time and time again...
